Any information including any advice and/or recommendations is for educational and informational purposes only and is not intended to be medical advice and/or replace the advice of your healthcare professional. This website is not intended to be a substitute for professional advice from a healthcare professional and you should always seek the advice of your healthcare professional regarding any medical condition before starting any treatment.

Certain sections of the website or online resource may contain information related to medical conditions and their treatment, if a medical condition exists you should consult a qualified healthcare professional for specific medical advice.

Certain sections of this website or online resource may be designated for healthcare professionals only. If you are a healthcare professional, please note that the information contained on this website or online resource is not intended to be comprehensive or to serve as a substitute for your own judgment or medical advice. We recommend that you also consult other professional sources and references prior to making any evaluation or treatment decision.

3. Use

You may print off one copy, and may download extracts, of any page(s) from this website or online resource for your personal reference. You must not modify the paper or digital copies of any materials you have printed off or downloaded in any way, and you must not use any illustrations, photographs, video or audio sequences or any graphics separately from any accompanying text. ORGANON's status (and that of any identified contributors), as the authors of material, must always be acknowledged. You must not use any part of the material on this website or online resource for commercial purposes. If you print off, copy or download any part of this website or online resource in breach of these Terms of Use, your right to use this website or online resource will cease immediately and you must, at our option, return or destroy any copies of the materials you have made.

This website or online resource must not be framed on any other site and you cannot create a link to any part of this website or online resource. Any link to this website or online resource must be consented to by ORGANON in writing and deleted immediately if requested by ORGANON.

This website or online resource has been developed as a service of ORGANON. The content on this website or online resource may become out of date from time to time. Nothing on this website or online resource should be construed as the giving of advice or the making of a recommendation and it should not be relied on as the basis for any decision or action. It is important that you rely only on the advice of a health care professional to advise you on your specific situation.

4.Service Access

Access to this website or online resource is permitted on a temporary basis, and ORGANON reserves the right to withdraw or amend the service provided on this website or online resource without notice. ORGANON will not be liable if for any reason this website or online resource is unavailable at any time or for any period.

5.Representation

As a user of this website or online resource, you are liable for the accuracy of the information that you provide to ORGANON. Should you respond with information including feedback or data such as questions, comments, suggestions or the like regarding the content of this website or online resource, such information shall be deemed to be non-confidential and ORGANON shall have no obligation of any kind with respect to such information and shall be free to use any ideas, concepts, know-how or techniques contained in such information for any purpose whatsoever including, but not limited to, developing, manufacturing and marketing products incorporating such information.
